RECEIVED

Dear Mr. Terreni:

The purpose of this filing by Qwest Communications Company, LLC's ("QCC") is to request permission to cancel in their entirety two tariffs issued by QCC's predecessor, Qwest Communications Corporation. The two tariffs being cancelled are South Carolina P.S.C. Tariff No. 2 and South Carolina P.S.C. Tariff No. 3.

QCC respectfully requests expedited review of this application, because as of April 1, 2011, QCC and CenturyLink are merging with CenturyLink becoming the successor entity, and it will benefit both the company and the Public Service Commission of South Carolina to remove these obsolete books from our files.

These two tariffs contain intrastate interexchange services, principally long distance plans, that were grandfathered as of January 30, 2002, when QCC under its former name Qwest Communications Corporation issued South Carolina P.S.C. Tariff No. 2 to replace and cancel the Specialized Common Carrier Services Tariff (not numbered) of its subsidiary, LCI International Telecom Corp. d/b/a Qwest Communications Services, and P.S.C. Tariff No. 3 to replace and cancel South Carolina PSC No.2 of its subsidiary Phoenix Network, Inc.

QCC has made no filings in either of these two tariffs since the date they were grandfathered. Any customers who had subscribed to the services offered in these tariffs have long ago either discontinued service or migrated to plans or services offered under QCC's South Carolina Tariff No. 1.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me.

Respectfully submitted,

Sharon Alvarado
